Experiencing God by Henry Blackaby

- Reality #3
- God invites you to become involved with Him in His work.

Things Only God Can Do

(page 68 of the workbook)

- 1. God draws people to Himself.
- 2. God causes people to seek after Him.
- 3. God reveals spiritual truth.
- 4. God convicts the world of guilt regarding sin.
- 5. God convicts the world of righteousness.
- 6. God convicts the world of judgment.

Overview of the case

- High school and college students are under spiritual attack.(and it will not get better)
- God is moving mightily among the 4 to 14 year olds.
- We ALL need to go where God is moving.
- Parents, teachers, and youth workers need our prayers, love, support, encouragement.
- The new believers from 4 to 14 need LOTS of top quality follow through to prepare them for the coming challenges
- By working cross -- generationally we create a healthy and strong church family.
